

WOLASTOQEY NATION

FISHERIES FORUM

Join us!

The Fisheries Forum is an event for the Wolastoqey Nation in New Brunswick member communities (TFN, OFN, SMFN, KFN, MMFN) to receive an update on the upcoming, without prejudice fisheries negotiations with Canada and discuss your vision for how to meaningfully implement Wolastoqey fishing rights.

It will be a valuable opportunity for members to meet and exchange their views, as experiences and aspirations may vary from community to community, and ultimately the Wolastoqey negotiations team wants to develop a proposal for implementing fishing rights that will work for all the communities. Your feedback will be documented in a report that will be shared with the Wolastoqeyik negotiations team, leadership, and community members. It will help guide the communities without prejudice fisheries negotiations.
